**Sermon Series**  
**Re:**  
**Title : Reborn**  
**Text : Acts 1:8**  
**(pg 770 in the pew bible )**

We are continuing our 40 day spiritual adventure. We are re-examining several aspects of church and what the Bible has to say about them. Booklets are available for everyone High School age and up. They include sermon outlines, Sunday school lesson outlines and directions for devotions during the week.

We encourage you to get one of these booklets and keep notes and insights week by week. Our goal is to find ways to be a more biblical church and to be better workers in the Kingdom. Please do not view this as another sermon series, instead, we encourage everyone to come with an open mind to the scriptures and teaching and to be prepared to hear from the Holy Spirit.

We are excited to see how God will apply what we learn, both as individuals and as a church. May God Bless us all as we join this journey together.
