

Pray For Me

Thank you for joining us in praying for these students. **Pray for Me (P4M)** program was developed to encourage adults to engage naturally with students about things that matter while investing in their lives through prayerful support. *Psalm 145:4 says, "One generation shall commend Your (God's) work to another and shall declare Your mighty acts."*

We are excited to pray over these students as we encourage them to grow in wisdom and favor with God and man (Luke 2:52). We pray also that they will be encouraged to set an example for other believers in speech, conduct, love, faith, and purity (1 Timothy 4:12). We desire to help the next generation see and savor the greatness of God through the prayers of His people.

You are a prayer warrior who is intentional about praying for and investing in the next generation. We hope that you will find P4M to be very rewarding and that you will consider joining us year after year as we invest in the lives of these students. We know that they will grow in many ways as a result of your influence. Thank you for your willingness to give of your prayers, time, and self for the sake of our youth.

There are several resources available to you including:

- We have created a printable **Guide** for you including scriptures and a place to journal your prayers. Simply go to www.newlifebellville.com and click on *Resources* under the *Making Disciples* tab.
- **Bracelets** are available if you would like one as a reminder to pray for your student.
- New this year, is a **Basket** of cards and trinkets that are available for you to utilize as you invest in your student this year. You are welcome to contribute items to the basket for others to use as well.

The main purpose of P4M is to cover these students in prayer but we also want to encourage you to make those prayers tangible by investing in these students as often as possible. We have given some examples of ways you might connect with your student throughout the year on the reverse.
